Caledonia Elementary Updates

8/27/21

Hello Caledonia Elementary Families!

What a great first week we have had at Cal El! It makes me so incredibly happy to see our hallways come back to life after the summer break! Students have been working hard to learn new procedures, make new friends, connect with old friends, and transition back into the school routine. My favorite part of the day is visiting their classrooms to see them in action! They are amazing!

Thank you for your patience and understanding as we implement a new parent drop off and pick-up procedure. We have many new staff members involved in these processes. Each day this week has gotten better and we will continue to do our best to ensure a safe and efficient drop off and pick-up experience while working within the limitations of only having one entrance and exit point.

As the school year progresses, please let me know if you have any questions or concerns. I am looking forward to an amazing school year!

Thanks,
Brent

Updating Student Information Forms

Within the PowerSchool parent portal, there are two forms that need to be updated annually. Information on accessing the parent portal can be found here. Please login to the parent portal and update the following forms.

1. Census Verification Form - Used to update demographic information, contacts, and medical information.
2. Parent Acknowledgement (primary) - Used to update various acknowledgements.

Thank you to those who have already completed these forms!

Morning Drop off Reminders

Thank you for helping us each morning by adhering to the following guidelines:

- Please stay in your vehicle in the drop off line. If your child needs help getting out of a car seat or opening the car door, please park in one of our parking spots. This will ensure the flow of traffic continues to move.
- Please pull forward as much as possible. Ideally, we would like to be unloading five to six cars at a time.
- Please drive cautiously as student safety is our number one priority.

Caledonia Elementary Picture Day

When

Friday, Sep. 10th, 8:45am-3:45pm

Where

9770 Duncan Lake Avenue Southeast
Caledonia, MI

More information

Picture Day is right around the corner! Order online at inter-state.com/order using our Cal El code: 61116QB

Medication Reminders

If your student takes daily medication or needs access to emergency medication (inhalers, epi-pens, etc.), please ensure that this medication has been dropped off at school. For safety reasons, parents must check this medication in at the office. Students can not bring this medication to school in their backpacks.

If you have any questions about medications or the necessary documentation, please contact our Health and Safety Paraprofessional, Jen Stanley. She can be reached at stanleyj@calschools.org.

Free Breakfast and Lunch

Breakfast and lunch will be free during the 2021 - 2022 school year. Breakfast occurs each morning from 8:30 - 8:45 in our cafeteria. If your child needs breakfast, they can proceed directly to the cafeteria upon entering the building each morning. Lunches can be ordered in the classroom each morning. New menus should come home each month.
