# SPRING CONCERT MARCH 29 FOR 1ST & 2ND GRADERS

We are SO excited for our upcoming concert, SAVE THE EARTH! Our 1st/2nd grade concert will feature songs and narration that are all about saving our planet Earth! This concert will also coincide with some amazing recycling we will be doing as a school during the month of March.

Our **concert is March 29th** and will be **held in the Caledonia High School FAC at 7:00 pm**. This is also the same night as our Kettle Lake Art Show held in the high school lobby, so you will want to come early to enjoy your child's artwork. Doors for the Art Show will open at 6:00 pm.

For this spring concert, I would like a very colorful spring look. We are asking each class to wear a certain color. It would be great if they could **wear solids**, not prints. Dresses for girls are fine, but it would be great if they are that solid color. IF you are struggling to find that color, please let me know. I have found solid color shirts at Walmart and I will also be checking Goodwill.

Here are the shirt colors by class that students should wear. Jeans or dark pants are fine for bottoms.

| | |
|---|---|
| Mrs. Fox - Blue | Mrs. Christian - Purple |
| Mrs. Tompkins - Orange | Mrs. French—Yellow |
| Mrs. VanSickle - Red | Mrs. Shrewsbury—Green |

1st Graders should meet in the Orchestra Room, 2nd graders in the Band Room & Voices Choir in the Choir Room. All students should report to their respective classrooms no later that 6:45 pm.

Thank you so much for supporting the arts and for supporting your child in this performance!
I hope you are starting to hear some of our songs at home. Musically Yours, Laura Witvoet

## Kettle Lake Night of the Arts March 29!

Once again we will be displaying work from all our Kettle Lake artists in the lobby of the high school FAC. Mrs. Trent and Mrs. Price are looking for help to put up the show on Tuesday, March 29th from 9:00 -11:30. Many hands make light work and we would like to see if we can break our 2 hour set up record! It is lots of fun and a nice way to meet some of the other parents. If you can't help us put up, stay after the concert to help us take down and pack it up (an even faster process!)

**We are also in need of cookie contributions and are looking for volunteers to bring in some goodies for the evening.**

Please contact either Mrs. Price (priceca@calschools.org) or Mrs. Trent (trentd@calschools.org) to let them know how you would like to help.

## Whitecaps Calendar

Every KL student received a Whitecaps reading calendar on Monday for two free tickets to a game of your choice . This is a great opportunity for all students to enjoy a Whitecaps game. Reading for classroom reading logs will count for this as well...so March is a 2 for 1 reading bonus. Calendars are due before spring break to receive your coupon for the tickets. Simply drop them off in the office in the Whitecaps container. Contact the office if you have any additional questions.

# Trees 4 Earth

**Lend a helping hand...**
**Recycle bottles and cans.**
**Turning trash...**
**Into cash!**

This year's Kent County Recycling Challenge has changed. The focus is on recycling for a purpose to benefit your local community. We have decided to join the National Earth Day focus to raise funds to plant trees. Returnable bottles and cans will fund trees for our new playground at Kettle Lake. Ask your friends and family if you can have their bottles and cans for this great cause. In the end, the trees will be enjoyed by everyone in the community for many years to come.

If you return the bottles and cans for us there will be a giant plastic container in the office to collect the money. We appreciate your help very much. We have huge cardboard boxes on the stage to collect any bottles and cans you want to send our way for us to return. Either way this is a Win...Win for everyone. The bottles and cans will not take up space in a landfill and new trees growing on the playground will add beauty while cleaning the air we breathe.

Thank you for supporting this special cause.

March 17, 2016

Dear Kettle Lake Family:

On July 30, 2015 the landscape of the Kettle Lake Elementary School Playground was changed after our iconic Boardwalk was removed. This decision from our district was not an easy one to make but was necessary due to safety concerns with this aging structure. Upon learning that this structure would need to come down a Playground Committee was formed to redesign and reshape the playground that our students and many in our community have come to love and enjoy.

The new Kettle Lake playground master plan was unveiled at our Student Open House on Wednesday, September 2, 2015. This plan not only includes new play equipment but it also reshapes the playground to make room for basketball courts, an outdoor classroom area, a larger student garden area and a Pavilion area. This plan also addresses the accessibly and water run off issues our playground has had for many years.

In order to complete this new playground, one to be enjoyed not only by Kettle Lake students but also their families and our community, we are asking for your support! We are asking for a tax deductible donation, from individuals, families and/or businesses. **Any amount is greatly appreciated!** There will be a donor plaque displayed at Kettle Lake, upon completion of the playground, with recognition of those who reach a certain level with their donation.

Donor Plaque levels:
- Diamond - $2,500 and above
- Platinum - $1,000
- Gold - $500
- Silver - $325
- Bronze - $200

*Opportunities to donate specific services needed to complete the project or equipment for the playground are also available. For more details please contact the playground committee at kettlelakeplayground@gmail.com

To be a part of the Donor Plaque please complete the form attached and return it along with your donation to Kettle Lake Elementary School – Attention Playground Committee 8451 Garbow Dr. Alto, MI 49302 no later than April 30, 2016. (Checks should be written to Kettle Lake PTO)

We thank you in advance for your support of this worthy project. Our goal is to have the new playground begin take shape the summer of 2016. For more information or to contact the Kettle Lake Playground Committee please visit our website www.kettlelakeplayground.weebly.com

Sincerely,

Kettle Lake Playground Committee

# FREE PRESCHOOL

# success starts **early.**

## CALL NOW FOR OPENINGS

When you are looking for preschool for your 3- or 4-year-old, consider the free options that may be available. Some families will qualify for a Great Start Readiness preschool opening through Kent County school districts or select private centers. Others will qualify for Head Start preschool.

Both Great Start Readiness and Head Start offer a quality preschool program, nutritious food, family support, health and educational assessments, and accommodations for children with special needs. In some areas transportation is available as well.

Children may start preschool from September through February if openings are available and as new offerings occur. Once your child starts preschool, focus on attendance. Good attendance habits start in preschool, and attendance in kindergarten is a big factor in long-term school success.
