Earlier this month, the Caledonia Education Foundation(CEF) was thrilled to award \$49,000 to 10 grant recipients! CEF works all year long to raise funds to invest in our grant program. Teacher gifts, brick pavers, email campaigns, employee payroll contributions, and events like CALAPALOOZA all contribute to support our CAL students and teachers. Many of these programs and projects have no other means of funding! We announced these grant awards by visiting the recipients in their classrooms with a "prize patrol" and big check presentation so the students were able to be in on the celebrations! Congratulations to the following award winners:
