Preserving Tradition, Pursuing Excellence

Back to School 2018

Welcome Back!

Communications

from Superintendent Dr. Dedrick Martin

Dear Caledonia Community,

I want to extend a heartfelt WELCOME BACK to the students and families for the upcoming 2018-2019 school year! I hope that you were able to spend time with family and friends and create wonderful memories during the summer break. We are excited about this school year and committed to maintaining a wonderful learning environment.

While I've only been with the district for a short period of time, I have been very busy working with district staff as we prepare for the upcoming year. One important task that we have accomplished was to fill the principal position for Duncan Lake Middle School. I'm happy to report that we have selected Mr. Jaym Abraham, an experienced school leader, to continue the tradition of educational excellence for which Duncan Lake Middle School has become known.

We are happy to report that due to the additional revenue received from the passage of the Kent County Enhancement Millage last May, we are able to add four additional positions for Student Support Specialists/Counselors to better support the social and emotional needs of our students. Additionally, we are nearing the end of the work on our facilities based on the passage of the bond in 2014, and will provide updates in the very near future outlining how your generous support of our schools was utilized.

As we embark on a busy fall season with the normal business of educating students, fall sports, and other extra curricular activities and events for our students, we are also approaching another opportunity for our community to continue its support for our schools through the upcoming Headlee Override Millage vote in November. The Headlee tax provision was enacted as far back as 1995 with the intent of protecting taxpayers by rolling back the tax rate when the tax base grows faster than the rate of inflation.

$$\text{Rising Tax Base} \times \text{Decreasing Tax Rate} = \text{Same Tax Yield}$$

This is certainly the case in a growing community such as Caledonia. Unfortunately, without the aid of an override millage, the tax rate has fallen below the allowable 18 mills that our schools have used to fund daily operations.

So what does this mean?

This year alone our district will lose over \$71 thousand in revenue and this loss of revenue will increase each year without a successful override vote in November. However, if our community approves the override, **there will be no cost increase to homeowners**, this override will simply allow the school district to continue collecting the same 18 mills on non-homestead properties (property that is not a primary residence or qualified agricultural property) that we have used to help support our school operations for the past two decades.

Over the next few months, you will hear more information regarding the importance of this millage and can find some additional information by visiting our website www.calschools.org.

Thanks for your amazing support of Caledonia Community Schools and I look forward to seeing and meeting you this fall. Go Scots!

Sincerely,

A handwritten signature in black ink that reads "Dr. Dedrick Martin". The signature is written in a cursive, flowing style.

Superintendent

School Supply Lists

2018/19 recommended school supply lists are available on the district website. Go to www.calschools.org then click "schools" and select your student's respective building. Supply lists are posted on each school's main page or in the resource section of their site.

Caledonia Fighting Scot Athletic Event Passes

Individual regular admission for 2018/19 high school sporting events is \$5.00 for students and adults.

Student Pass - \$45

Includes all regular HOME games for the 2018/19 school year and is printed on the back of student ID.

Adult CHS Athletic Pass - \$75

Includes all regular HOME games for the 2018/19 school year.

CHS Sports Pac Special - \$200

Includes two adult and two student passes.

Annual athletic passes include admission to all 2018-2019 school year regular HOME games at CHS.
Go Scots!

Non-Homestead Operating Millage Proposal

What is a Non-Homestead Operating Millage?

Public Schools must levy 18 mills on non-homestead properties to receive full State Foundation Grant funding. A non-homestead property is any property that is NOT a primary residence or qualified agricultural property, such as a:

- Business
- Investment property
- Vacation home
- Rental property

The cost of 18 mills for the owner of a property valued at \$100,000 is \$1,800 per year.

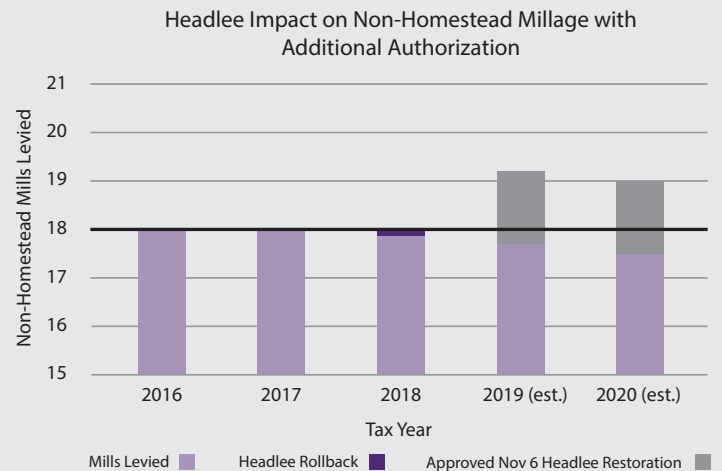

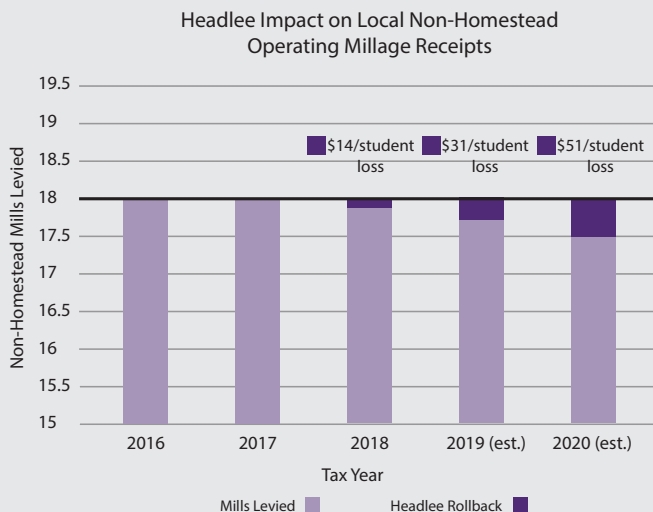

What is a Headlee Rollback?

When property values rise at a greater pace than the rate of inflation the non-homestead tax levy will be Headlee reduced, known as a Headlee Rollback. Currently the non-homestead tax levy for Caledonia has been Headlee reduced to 17.8452 mills. Therefore, the district is losing 0.1548 mills of non-homestead funding for the per-pupil foundation allowance. This equates to a loss of approximately \$71,300 in 2018-2019, or \$14 per pupil, and continues to compound each year.

On November 6, 2018, as part of the regular election, members of the Caledonia Community will have the opportunity to vote on a non-homestead operating millage proposal. The information on the following pages is provided to help voters become educated on the proposal, and what it means for our community. To obtain more information, or to get specific questions answered, please contact Sara DeVries, Caledonia Community Schools Director of Finance, 616-891-8185 ext. 7325, or visit www.calschools.org.

Headlee Rollback Override

With the Headlee rollback the district will continue to lose funds unless voters approve an additional millage override to bring the district back up to the 18 mills. The district will be asking voters for an additional 1.5 mills for Headlee restoration purposes. This will allow the restoration of lost funds as well as a buffer in the event future Headlee rollbacks continue to occur. **At no point will more than 18 mills be levied on non-homestead properties.**

Note: The 18 mills equates to \$1,800 tax per \$100,000 in taxable value on non-homestead properties only and can never exceed that even with approval of the additional millage request.

Operating Millage Proposal on Non-Homestead Properties

Frequently Asked Questions

Who pays the operating millage?

The operating millage is levied on properties that do not qualify for the Michigan homestead exemption (non-homestead properties). Primary residences qualify for the homestead exemption and, therefore, do not pay this 18 mill tax.

What is a non-homestead property?

A non-homestead property is any property that is not a primary residence or qualified agricultural property, such as a business, investment property, vacation home, and rental properties.

Is this a new tax?

No. This millage has been in place since 1994 with the passage of Proposal A. The voters last approved a levy for 18 mills on non-homestead property in May 2015. The current millage expires with the 2020 tax levy.

What is the Headlee Amendment and how does it affect me?

The Headlee Amendment of 1978 changed the Michigan Constitution. At that time, real estate was increasing in value faster than the rate of inflation. So when taxing entities (cities, townships, state, etc.) calculated property taxes based on property value, they would collect more than the increase in inflation. The Headlee Amendment automatically “rolls back” the millage

rate to equal the rate of inflation in order to keep taxes from increasing more than inflation.

Why is the district asking for a 2-year authorization?

The district has operated on a 5-year renewal cycle for the non-homestead operating millage. For the 2018 tax year the value of non-homestead properties in Caledonia has increased at a rate greater than inflation, which has caused the millage to be Headlee reduced. The non-homestead millage is an important portion of the state’s per-pupil foundation allowance and must be collected locally. The state calculates the amount the district should receive based on the voters levying the full 18 mills. If the millage has been Headlee reduced, the district’s State Aid Foundation allowance is reduced based on not levying the full 18 mills, and during the 2018-2019 school year that reduction amount will negatively impact the district budget by \$71,000. The district is seeking community support for a Headlee Override operating millage to restore the non-homestead operating millage to the full 18 mills in a timely manner and will expire with our current Headlee reduced non-homestead operating millage in 2020.

What is a Headlee Override?

A Headlee Override is a vote by the state statute, or a vote of the people and is necessary to counteract the effects of the Headlee rollback. On July

16, 2018, the Board of Education approved a ballot proposal of a 1.5 mill Headlee Override on the non-homestead operating millage because the millage has been Headlee reduced to 17.8452 mills. The authorization of the 1.5 mill override will allow the district to levy the full 18 mills on non-homestead properties during the 2019 tax year. At no time is the district permitted to levy more than 18 mills on non-homestead properties.

What happens if the millage does not get voter approval?

Failure to authorize the operating millage proposal would decrease our state School Aid Foundation allowance by approximately \$31 per student. The State of Michigan will not replace the lost funding due to voters’ non-approval.

Cost to Homeowner: \$0

This operating millage proposal will allow the district to levy the full 18 mills on non-homestead property. **If approved, homeowners will not see an increase in their property taxes.** This millage proposal will not change the taxes on your primary residence. **This is not a new tax.** It is a proposal to restore the district to the full 18 mill assessment on non-homestead properties, which directly impacts the amount the district receives from the state School Aid Foundation allowance per-pupil.

A Note From Transportation...

Bus Schedules

Elementary, middle and high school students will be receiving their bus information via messenger this year. Please check your e-mail, as all information was sent out on Friday, August 17, 2018. If you have moved or your child is going to be dropped off at a location other than home, please let the Transportation Department know as soon as possible at 891-0224.

Bus Safety

Now is a great time to talk to your students about bus safety. Remind them that as the weather changes, it is important to wear a coat as the mornings will soon begin to get chilly. Talk to them about the dangers of playing in leaf piles and snow banks that are near the road. Reinforce the importance of following bus rules and listening to their bus driver's instructions before crossing the road, as well as to look twice before crossing any street! Together we can help keep our kids safe!

2018-2019 DLECC Preschool Enrollment

The DLECC preschool program provides a positive first school experience for young children. The curriculum includes teaching basic readiness skills in language, literacy, math and motor skills, and is aligned with the Caledonia Schools K-12 curriculum. We also provide opportunities for children to develop peer relationships through play, while nurturing children's creativity, problem solving and curiosity. Monthly newsletters and twice a year conferences and progress reports help to foster communication between parents and staff.

Cal Food Service

The Caledonia Community Schools Food Service department would like to remind you about our **Health-eLiving™** Website! **Health-eLiving™** is designed to provide nutrition information on all of the foods served in the school meal programs. Healthy living is about making healthy choices. **Health-eLiving™** provides the resources for all things healthy living. Find links, videos and articles about healthy eating and daily exercise!

Caledonia Community Schools is also excited to continue to use the **My School Menus™** app. You can find this app by simply going to the iTunes App Store or Google Play. We believe this app helps families make healthier choices, as it gives access to nutrition information for the school meal programs, right at your fingertips. It will also enable you to plan meals in advance. It is important to CCS that you have access to the best nutrition because we care about your health. We are excited about an app that enables parents, students and teachers to make healthy food choices, 24 hours a day, 7 days a week, 365 days a year!

Find more information about these programs and all of the 2018/19 school meals details at

www.calschools.org

(Click on Departments – then Food Service)

Click around our site!

You can...

- Find printable menus for all schools
 - Link to student accounts at www.sendmoneytoschool.com(You can make deposits from home to your child's account. It's quick and easy!)
- Apply online for Free/Reduced Meals through www.lunchapp.com.

(Paper copies are also available in each school's office.)

If you have any questions regarding how to navigate the website, install the app or apply for free or reduced price meals, please call the Caledonia Food Service department at 891-0227.

Fall is a great time to stock up on your Caledonia spirit wear!

Stop by the high school store, to pick up your purple gear! The store is located down the main gym hall, and is open during home athletic events. You can also find the Spirit Trailer at all home varsity football games. The trailer opens at 6:00 PM, and will have a variety of Cal clothing options, including t-shirts, leggings, sweatshirts and hats, as well as other specialty items, such as umbrellas, seat cushions, mugs and beads.

Interested in online shopping? Visit <http://sportsstop.net/caledonia-athletic-wear> and choose to have your purchases shipped or pick them up from the school store.

Remember, the holidays are right around the corner! Caledonia spirit wear makes a great gift for Caledonia students, athletes, and fans alike.

Every purchase made helps support our Caledonia athletes. 100% of the proceeds from each purchase, go back to the Caledonia Athletic Boosters for the benefit of our student athletes. Go Scots!

The Caledonia Resource Center fall brochure is now online. Please visit www.caledonia-resourcecenter.org to view our ever growing selection of offerings. The Resource Center provides the Caledonia district and beyond with youth programs, adult enrichment classes, and 55 and better activities. Check out the latest classes, trips and opportunities for all ages. While online, you can browse our fall selection, as well as register for upcoming events. Classes fill up fast, so don't delay! Register today!

The Resource Center offers...

- piano & guitar lessons
- theatre opportunities
- aquatics classes
- athletic camps
- art classes
- online learning
- CPR/AED certification
- Zumba, pilates & yoga
- sewing, crochet & knitting
- dog obedience
- adult travel opportunities
- and much more!

The events, information and people included in this newsletter are only a representation of Caledonia Community Schools, and in no way reflect everything taking place at any of the schools/buildings or in the district.

Vice President	Chris Behm	Trustee	Bill Donohue
Secretary	Julie Asper	Trustee	Michael LoMonaco
Treasurer	Tim Morris		

Regular Meetings

August 20, 2018	December 17,2018	April 15, 2019
September 17, 2018	January 21, 2019	May 20, 2019
October 5, 2018	February 18, 2019	June 17, 2019
November 19, 2018	March 18, 2019	

Regular Board of Education meetings are held on the **third** Monday of every month at 6:00 PM, at the Administration Office located at 9753 Duncan Lake Avenue, unless otherwise noted. They are held in public, and public comments will be allowed during the agenda time, "Interested Citizens." Each individual will be limited to three minutes and each topic to a total of 20 minutes. Persons desiring to have a specific topic placed on the agenda may do so by notifying the Board President or Administration Office, in writing, no later than fifteen days prior to the date of the meeting. Upon prior request to the Superintendent, the district shall make reasonable accommodation for a disabled person to be able to participate in this activity. The Board of Education schedules workshops as needed. Those dates, times and locations will be posted as the workshops become scheduled.

Foundation Fest 2018 Friday, October 5

Come celebrate community! You are invited to Foundation Fest 2018 at the Duncan Lake Middle School cafeteria from 4:30 to 7:00 PM. This family-friendly event takes place prior to the CHS Homecoming football game. We will have sponsor booths with giveaways, carnival games, face painting and a delicious tailgate buffet, featuring pulled pork sandwiches, chili, nachos, hot dogs, caramel apples and much more. Watch the homecoming parade, including floats, Cal athletic teams, homecoming court and our 2018 Honored Alumna, Jane Greenfield, class of 1979, as well as the Caledonia marching band!

Save by purchasing tickets in advance at all Caledonia Schools and the Caledonia D&W.

Pre-Sale Tickets

Adults: \$10 Children 12 and under: \$6
Family of 5: \$35 Children under 4 are free!

Foundation Fest helps raise funds for CEF to finance grants and scholarship programs for the Caledonia Community Schools. Sponsorship opportunities are available at several levels. For more information contact the Caledonia Education Foundation at 891-0736 or e-mail info@caledoniacef.org. Visit us on the web at www.caledoniacef.org.
