Dear Caledonia Friends and Families,

We would like to thank everyone that participated in our online survey in December to share your thoughts on our calendar for 2018 - 2019. The results were as follows:

- 70% - Begin one week before Labor Day
- 18.5% - Begin two weeks before Labor Day
- 11.5% - Did not have a strong preference

In 2018 - 2019 Caledonia Community Schools will begin school one week prior to Labor Day with the first day of school being on Monday, August 27th.

We will complete a full calendar for distribution in February including all scheduled breaks and holidays.

As you may recall, Kent County school districts applied for a pre Labor Day waiver to allow us to start school prior to Labor Day. This was a result of the state requiring four additional school days. We were granted the waiver for three years. Next year will be our second year on the waiver.

Caledonia Community Schools plans to begin the 2019 - 2020 one week prior to Labor Day.

We hope this early notification brings value to your planning for family vacations and starting your next school year.

In Pursuit of Excellence,

Randy Rodriguez
Superintendent
