

Athletic Booster's Athletes of the Month! December, 2017

Ryan Parsons, Varsity Senior Swimming

Ryan is so much fun to coach! In addition to holding 8 of the 12 boys records, he holds over a 4.0 gpa, is a team leader, and is very respectful. He gives 120% all the time and always has a (goofy) smile on his face.

He is starting his season off with a 23.68 in his 50 free and a 52.10 in his 100 free, and this is during conditioning. Ryan's goals are to qualify for state in 4 individual events and 2 relays, as well as, to have the team win conference. He's the kind of athlete every coach wants on their team.

Athletic Booster's Athletes of the Month! December, 2017

Anna LoMonaco, Varsity Senior Basketball

Anna has led her team to a 6-0 nonconference record, averaging 15 pts, 11 rebounds, 3 assists and 2 steals a game. She not only leads on the court but carries a 4.0 plus gpa in the classroom! She is very qualified for this recognition. Anna is a 4 year varsity player, and has earned scholarships to Hillsdale College for basketball.
