Girls - Emily Petrosky

Emily has had her best month as a ski racer for Caledonia this January. She has been in the top three in every event except for one 5th place, which is the best string of finishes in Caledonia Ski Team's history, since the team started in 1998. She is currently tied for 1st place in our conference standings.

Here are her finishes:

Conference Race #1. 1st GS

Norm's GS Championships. 1st in Junior Division and won the women's division by 2.34 seconds (this is a huge margin of victory for a race at Canonsburg)

Conference Race #2. 2nd GS and 2nd Slalom

Wooden Shoe Slalom Championships. 1st in Junior Division and was 2nd place in the women's overall standings

Cadillac Invitational. 2nd in GS and 5th place in Slalom

Conference Race #3 1st in GS and 2nd in Slalom

Grayling Invitational 3rd in GS and 3rd in Slalom ---This race featured 6 all state skiers from last year's State Finals

As a junior, Emily has already broke every ski record for the Caledonia Ski Teams (both men's and women's records) . She has the most top 5 finishes, the most slalom and giant slalom in both conference and non-conference events. Last year, she won the Regional GS race and placed 5th in slalom, a member of the All Regional team and ended up 11th at the State Finals in GS, and was 2nd Team All-state GS. Emily has been All conference twice, our MVP twice and a member of the All Area Team. She also was a starter on our Volleyball team this season.
