Caledonia Athletes and Parents,

Welcome to another exciting year of "Fighting Scot" Athletics.

To our athletes we say - "With your hard work, dedication, sportsmanship and team play, you will make 2015-2016 a rewarding and enjoyable experience for all at CHS."

To our parents we say - "Thanks for your loyalty to Caledonia Athletics and for supporting our efforts to provide a wholesome, competitive environment for your student-athletes."

We all need to work together for a common goal:

To make the high school sports experience a rewarding one for everyone concerned; athlete, coach, parent and fan.

Please keep in mind at all times that our athletic venues are, in fact, classrooms; just as much as the labs and classrooms we have in our buildings. We need to be teaching our youngsters and ourselves the lessons that competitive, educational athletics can offer.

Together, let's always, and in all ways, celebrate the efforts of our players and coaches as they strive to make Cal #1 in class, style, sportsmanship and competitiveness.

Go Scots and have an enjoyable 2015-2016 school year.

The Caledonia High School Athletic Department,
Administration and Coaching Staff

Thought for the year.....

"Caring about Character is a priority for our student-athletes, coaches and our fans."
