School Annual Education Report (AER) Cover Letter

Caledonia Elementary School

May 7, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Caledonia Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Joshua Traughber, Principal of Caledonia Elementary School, for assistance.

The AER is available for you to review electronically by visiting the following web site [Cal El MiSchoolData Report](#) or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Caledonia Elementary School has not been given one of these labels.

Caledonia Elementary School has implemented and will continue to work on building systematic processes to positively impact student achievement. Trends in student achievement and data indicate that Caledonia Elementary School should continue to work on supporting reading and math instruction. The Caledonia Elementary staff has worked to address reading and math instruction through targeted core and intervention professional development; in the near future these areas will be a priority. The staff will review School Improvement plan and implement processes to address specific areas of deficit as indicated by data. Through these ongoing efforts, Caledonia Elementary staff will do our best to provide a high quality education for all students.

State law requires that we also report additional information.

- D. Parent Preference: If space is available, we attempt to place students in the school of their preference.
