

Student: _____

School: _____

Teacher: _____

Attendance Summary:

T1		T2		T3		Total	
Absent	Tardy	Absent	Tardy	Absent	Tardy	Absent	Tardy
1	0	0	0	0	0	1	0

Academic Performance Level for 2nd-5th Grade Standards	
Name	Score
Mastery	4
Proficient	3
Progressing	2
Beginning	1
Not assessed this term	N/A

FOURTH GRADE SUBJECTS			
	Term		
	T1	T2	T3
TRIMESTER COMMENTS			
Teacher Comments			
LIFE SKILLS			
Completes and returns homework on time			
Strives for personal best			
Works collaboratively with others			
Follows written and verbal directions			
Follows classroom and school rules			
Demonstrates appropriate listening behaviors			
Uses time wisely			
Shows respect			
Works independently			
ENGLISH LANGUAGE ARTS			
READING			
Comprehension: Use strategies to understand text			
Accuracy: Uses decoding strategies to identify unknown words			
Fluency: Read with appropriate rate, pacing and expression			
Vocabulary: Expands & develops understanding & application of words			
WRITING			

FOURTH GRADE SUBJECTS			
	Term		
	T1	T2	T3
Spells grade appropriate words correctly			
Uses grade appropriate conventions correctly			
Engages in planning, drafting, revising, editing & publishing			
Writes narratives using descriptive details & clear event sequences			
Writes informative/explanatory texts to convey ideas & information clearly			
Writes opinion pieces supporting a point of view w/ reasons & information			
Effectively utilizes research methods to support writing			
SPEAKING & LISTENING			
Expresses & presents ideas with organization & clarity			
Listens and responds appropriately in varying situations			
MATH			
OPERATIONS & ALGEBRAIC THINKING			
Uses the four operations with whole numbers to solve problems			
Identifies factors & multiples in the range 1-100			
Knows math multiplication facts to 10			
NUMBER & OPERATIONS IN BASE TEN			
Reads, writes & compares multi-digit whole numbers			
Uses place value understanding to round multi-digit whole numbers			
Multiplies multi-digit whole numbers			
Divides multi-digit whole numbers			
Fluently adds multi-digit whole numbers			

FOURTH GRADE SUBJECTS			
	Term		
	T1	T2	T3
Fluently subtracts multi-digit whole numbers			
NUMBERS & OPERATIONS-FRACTIONS			
Uses fraction understanding: compare and order			
Generate equivalent fractions			
Adds and subtracts fractions			
Multiplies fractions by a whole number			
Understands decimal notation for fractions & compares decimal fractions			
MEASUREMENT & DATA			
Measures & converts using common tools & appropriate units			
Uses perimeter and area formulas to solve problems			
GEOMETRY			
Draws and identifies lines and angles			
Classifies shapes by properties			
SCIENCE			
CURRENT SCIENCE UNIT			
Electricity			
Magnets			
States of Matter			
Energy and Waves			
Life Science (Adaptations)			
Fossils			
Sun, Moon and Earth			
SOCIAL STUDIES			
SOCIAL STUDIES STANDARDS			
History			
Geography			
Civics/Government			

FOURTH GRADE SUBJECTS			
	Term		
	T1	T2	T3
Economics			

***Comments: *Comments: Academic Performance Scale**

4-MASTERY: Meets the requirements. Can apply skill or concept correctly and independently. Shows accuracy, quality and originality.

3-PROFICIENT: Can apply skill or concept with minimal support. Shows some accuracy, quality, and originality.

2-PROGRESSING: Shows some understanding of skill or concept. However, errors or misunderstanding still occur.

1-BEGINNING: Cannot complete skill or task independently. Shows little understanding of skill or concept.

N/A: Not assessed this term.
