Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Glenmor High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. The AER is available for you to review electronically by visiting the following web site <https://goo.gl/XEVv8q>, or you may review a copy in the main office at your child's school.

Glenmor High School is committed to helping all students prepare for their individual post-secondary choice. We are focusing our efforts on important academic skills while helping students who are behind in credits achieve the necessary requirements for graduation.
