FROM THE PRINCIPAL'S DESK:

Welcome Back! We are off to a fantastic start at Kettle Lake. The first day of classes went very well. Our students and staff are currently establishing those positive school routines that will help create a successful classroom structure for the school year. Kettle Lake Elementary School has long prided itself in creating and maintaining a positive learning environment for each and every student. We have made the commitment to make the emotional and physical safety of our students our top priority and the cornerstone of our school. A team of staff members worked last year and throughout the summer as our Positive Behavioral Intervention Support (PBIS) Committee. The focus of this committee, and our entire staff, is to continue to build on the rich tradition at Kettle Lake Elementary. Strengthening our school climate by fostering cooperation, academic excellence, respect and safety has been an important part of this work.

We will begin this school year by intentionally teaching our students the building procedures and routines. We will focus on the positive behaviors we expect to see from every student in all areas of the school - including classrooms, hallways, cafeteria, library, playground, arrival and dismissal. Our staff is committed to teaching these expectations in a positive manner. We look forward to acknowledging students who consistently demonstrate these positive behaviors.

Please take time to review the school-wide expectations outlined in the matrix on the next page. Each of these expectations reflects our desire to be safe, responsible and kind in all of our daily interactions. It is vital that each student have a solid understanding of our expectations at Kettle Lake Elementary and the importance of accepting personal responsibility for their individual choices. When home and school share in these expectations, our students and staff can completely focus on the important work of teaching and learning. Next week, each student will bring home copy of the Cougar Contract to share with you. We are asking that students and parent sign this contract as a symbol of their commitment to the ideals contained in the contract. Students are asked to return the signed contract to their classroom teacher. Our goal is to have 100% participation in this effort.

Thank you for partnering with us to create the best learning environment for all of our students.

~Mr. McLaughlin

EMERGENCY INFORMATION CENSUS VERIFICATION FORMS

Family Emergency Information Sheets (Census Verification Forms) will be going home with students soon.
Once you receive it, please make any changes and return it to your classroom teacher as soon as possible.
Thank you!

LUNCHTIME RECESS VOLUNTEERS NEEDED FROM 12-1 PM

We are in need of one or two parent helpers daily to help supervise the playground during the lunch times. If you could help from 12-1 pm, please call the office @ 868-6113 or email Crystal @ bellgraphc@calschools.org

LUNCHTIME VOLUNTEERS NEEDED IN CAFETERIA:

We are in need of parent volunteers to help out in the cafeteria Monday through Friday from 11:15—12:45 pm.
Volunteers are needed to help students use the microwaves, open some of their lunch items, maintain the salad bar and be table washers. Even if you could volunteer for one day a week, that would be great. If this is something you could help with, please give the school office a call at 868-6113 and ask for Mrs. Rider.

NOTE: Please do NOT send food items that need to be prepared (i.e.: Mac 'n' Cheese) or canned goods (i.e.: soups, ravioli, etc.). Unfortunately, we DO NOT have the personnel to help the students, plus it ties up the microwave for 3-5 minutes. Thank you.

ATTENTION KINDERGARTEN PARENTS

If you have not sent us your child's health records, birth certificate, immunizations, etc. to school, please do so right away! Very soon we will be audited by the Kent County Health Department and if your child's health records and birth certificate are not on file, he/she will not be able to attend until we receive them. To avoid this "harsh sentence", please make sure that these forms are on file in our office. Thank you.

SMILE! PICTURE DAYS ARE COMING

On Thursday, September 25th all students will have their picture taken and have an opportunity to purchase a picture packet from InterState Studios. Packet information is going home next week. Information packets will give you several options for payments if you want to. We are not doing Spring Portraits, so this will be your only picture opportunity for this school year. Questions? Email Inter-State at www.order.inter-state.com or call 868-6113.
Note: Picture retakes will be Wednesday, October 22nd, for anyone who is absent September 25th.

Cougar Kids Care Club NEWS:

Welcome back Kettle Lakers!!! School is now officially in full swing. This also means that Cougar Kids Care Club is going to be starting up again soon. Please be sure to mark your calendars for the **CKCC Kickoff Meeting on Thursday, October 2nd: 3:40-4:30**. We will be discussing our charities for the year at this meeting, so if you have any great ideas, please make sure you come and share them.

If you're new, and you don't know what Cougar Kids Care Club is, this is Kettle Lake's student counsel club for kids in Kindergarten through 5th grade. It's an open club for kids to attend once a month. At CKCC your kids learn to think outside their own little world, and have fun doing it! We choose 3 charities each year (focusing on our school, the local area, and globally). The CKCC kids host their own bake sales (and other fund raisers) to raise money for these charities. It is a great way for our kids to think of others and learn to give of their time and energy to others.

If your child is interested in coming to the CKCC meetings please be sure to write a note to their teacher that they will be attending. CKCC meets in the library, so you can pick up your child at 4:30 from there.

WATCH D.O.G.S. PROGRAM BACK AGAIN!!!

(Dads of Great Students)
Our WATCH D.O.G. program is kicking off Monday, September 22nd. You can call the office 868-6113 anytime or stop by and sign up for a day.

For those of you who are new dads, the Watch D.O.G.S. Program allows you to help out in your child's classroom, on the playground, in the lunchroom, gym, art class, etc. for the day. Many of our dads choose a date on or near their child's birthday, or you may choose any day that works with your schedule.

Just a Reminder of the Rules:

---**NOTE CHANGE THIS YEAR: One Watch Dog PER FAMILY.**

We appreciate all the Watch Dogs that we've had in the past but in order to have enough space for every family to have a date, we are limiting it to one Watch DOG dad per family.

---Only one (1) Watchdog per day.
---Best days to sign up: Mon, Wed, or Thurs. due to our Specials Schedule (Art, Music, PE, and Spanish)
---Please follow the schedule you are given.
---When signing up, we need to know at least 2 days in advance to be a Watch D.O.G.

---Sign up calendar will be kept in the office. You may call to sign up @ 868-6113 or email (Crystal) bellgraphc@calschools.org or (Karen) bradleyk@calschools.org Thank you!

THANK YOU to COUNTRY HARVEST GREENHOUSE

Thank you to Mr. Gonyou and his son Ryan, who brought & spread 12 yards of Mulch before of our Open House in August. The school grounds looked fantastic. Thanks!

BOXTOP & LABELS FOR EDUCATION CONTEST STARTS SOON:

Boxtop and Labels for Education Contest begins Sept 29th and will end on Oct 28th. Please bring in all those you have been collecting over the summer ! Remember that when you clip the Labels for Education, we need both the Labels for Education wording AND the UPC code ! You can find Labels for Education on many products ! Including the individual packs of goldfish crackers. Please find a complete list of products here : http://www.labelsforeducation.com/Earn-Points/Participating-products. Box Tops can also be found on many products, including office supplies and Hanes underwear ! A complete list of participating products can be found here : http://www.boxtops4education.com/products/participating-products. If you could check the expiration dates on them, that would be great !
Also, if you "like" either of the sites on Facebook for Labels for Education and Box Tops, you can get updates when they run certain bonus specials or contests to help your school win!
I will need parents to help clip and count them so if you can help, please email me at kvaness@charter.net
Thank you!

Reminder: Make sure you send a note to the teacher each week if your student is staying after school.

Pesticide Advisory to all
Parents/Guardians of
Caledonia Community School Students

Dear Parent/Guardian:

Caledonia Community School has adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program **does not** rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pests from becoming a problem.

You will receive advanced notice of when a pesticide is to be applied, other than bait or gel formulations in your child's school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two (2) methods. The first method required by law is the posting at entrances to your child's school. Entrances that will be posted are those entrances that have a sidewalk that leads directly to a parking lot. The second method we are going to use is the posting in a common area located near the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least three (3) days before the application or e-mail. ***If you would like to be notified by mail or e-mail, please contact the Operations Department,*** at the number listed below.

In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application using the methods listed above.

You may review our IPM program or pesticide application records for your child's school by calling me at 616-891-0225 or e-mail delgerg@Calschools.org. This number or e-mail may also be used when school is not in regular session.

Sincerely,

Gary Delger, Director of Operations
