## School Annual Education Report (AER) Cover Letter

Kraft Meadows Middle School

May 15, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Kraft Meadows Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Steve Uyl (Principal) for assistance.

The AER is available for you to review electronically by visiting the following web site [Kraft Meadows MiSchoolData Report](#) or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given. Kraft Meadows Middle School has not been given one of these labels.

Kraft Meadows Middle School will continue to develop systematic processes that positively impact student achievement. The trends in our student achievement

data, indicate that Kraft Meadows Middle School has many areas to be proud of, as well as areas to improve. Through the school improvement process, our staff will continue to address these challenges. We will continue to work with the Kent ISD and the Michigan Integrated Behavior and Learning Support Initiative (MiBLSi) to deepen our knowledge on Multi- Tiered Systems of Support. Our school community is entering our third year of promoting positive student behavioral expectations through our positive school climate initiative. Our staff will continue to use data to drive our instruction across all four content areas, as well as, in the area of special education. Our school is dedicated to the personal growth of all students, while providing a safe and orderly environment that stimulates academic achievement in our students.

State law requires that we also report additional information.
