Dear Caledonia Community Schools community,

In honor of National Teacher Appreciation Week 2023, which will be celebrated from May 8th to May 12th, we want to take this opportunity to recognize and express our gratitude for the hard work and dedication of all the Caledonia Community Schools staff members. We know that our staff members go above and beyond to ensure that our students have the best possible educational experience, and we are grateful for their commitment to our community.

As a district, we are committed to fostering a positive and inclusive school culture and continue to build upon the foundation set forth by the guiding principles of Capturing Kids Hearts. Through this program, our staff members have been provided with tools and resources to cultivate positive relationships with our students and each other. By fostering a culture of kindness, compassion, and respect, we hope to create a safe and supportive environment for all members of our school community, and our hope is that this will become contagious.

To show our appreciation for our staff members and the impact they have on our children's lives, we have created a special way for you to send a card of thanks and appreciation to **any staff member** in our district who has made a positive impact on you or your child's life. To send a card of thanks and appreciation, please use the [online form](#) found on our [website](#). The district will take those entries and make sure they are emailed directly to staff members by May 12.

Your support and gratitude means a lot to our staff members, and we believe that this is a great way for our community to come together and show our appreciation for the hard work and dedication of all our staff members.

Thank you for your support, and we look forward to seeing your messages of appreciation for our staff members.

Sincerely,

CCS Administration
