Caledonia Community Schools Community:

We are sharing the information below on behalf of the Caledonia Education Foundation (CEF). The Caledonia Education Foundation has always been a huge supporter of Caledonia Community Schools and we are excited to see what our staff do with these grants! Thank you, Caledonia Education Foundation, for your continued support and investment in our student's education.

CCS Administration

--

We are thrilled to [announce](#) that the Caledonia Education Foundation (CEF) Prize Patrol recently visited 6 of our buildings and awarded grants totaling \$9,800! These funds will help enhance the classroom experience for our students by providing our teachers with valuable tools like instruments, sensory tables, and science probes.

Every student deserves a high-quality education that prepares them for success. The resources provided by the CEF fill in the gaps and enable our educators to deliver just that. And the best part? These grants are made possible by community dollars at work, making a difference in the lives of our students and our community.

The Caledonia Education Foundation relies on self-funding to sustain its grant programs. [Two ways](#) to contribute to our mission are through teacher appreciation gifts and brick pavers. Not only do brick pavers make excellent graduation gifts that can stand the test of time, but they also help to fund the work of CEF's exceptional staff. You can find out more about how to give to CEF on our [website](#). Thank you for your support!
