### **Steeby Elementary**

435 E Superior, Wayland

Breakfast 7:15-7:35, Lunch 11:00-12:30

Starts June 8th, Tuesdays & Thursdays

For children who rely on school meals, summer can be the most challenging time of the year. Hunger has both short- and long-term consequences for a child's health, education, and well-being. Therefore, ensuring that kids and teens have access to nutritious summer meals is of utmost importance, particularly this summer.

The Summer Meals program, funded by the USDA, is operated by school districts and local organizations. Various sites can be found throughout the community. Families can easily locate nearby summer meal sites, including operating days and times, by texting "FOOD" to 304-304 and entering their zip code. No application, registration, or proof of residency or citizenship is required at these sites.

Caledonia Community Schools encourages all families to take advantage of this invaluable program. By providing information about free meals, we aim to support the well-being and development of our children during the summer months. Together, let's ensure that no child in our community goes hungry.
