CCS Administration

--

Dear Caledonia Community,

As the new school year begins, let's come together to support our Caledonia students through a contribution to our Essentials Fund!

We're excited to continue this collaborative initiative between the Caledonia Education Foundation (CEF) and Caledonia Community Schools (CCS), dedicated to offering immediate support to our students in times of need.

The Essentials Fund helps remove barriers to learning by providing timely aid, recognizing that educators often lead the way in identifying and addressing urgent student needs. Whether it's food, clothing, school supplies, or other necessities, the Essentials Fund is here to provide assistance.

With a simple request form, CCS staff can access resources quickly to address emergent situations, ensuring both anonymity and accountability throughout the process.

Join us in enriching the lives of our students and families as we embark on another year of growth and learning. **Learn more about the Essentials Fund on our [website](#) and discover how you can get involved today!**

Together, let's ensure the well-being and success of ALL Caledonia students.
