

Caledonia Elementary Newsletter

1/6/23

Hello Caledonia Elementary Families!

Welcome to 2023! I hope that everyone had a wonderful Holiday season filled with joy. It was so exciting to welcome students back to Cal El this week. I have enjoyed reconnecting with students and hearing all about their breaks! The second half of the school year is going to be terrific!

As always, please let me know if you have any comments, concerns, or questions.

Thanks,
Brent

Notes From The Office

1. If your child will be absent, please email the classroom teacher, email cesattendance@calschools.org, or call the office at 616-891-8181. We are required to verify the attendance of each student at Cal El on a daily basis. Communicating about your child's absence helps our office staff complete the attendance process in a timely manner.
2. Our Cal El playground gets quite wet during the winter and spring months. Sometimes, this results in muddy shoes, wet socks, and wet clothing. Having your child keep spare shoes, socks, and clothing in their locker is encouraged. We do have supplies at the building, however, our sizes and styles are limited.

Semester One Report Cards (Accessible Friday, January 20th)

Semester one report cards will be accessible via the PowerSchool Parent Portal on Friday, January 20th. *If you would like a printed copy of the report card, please email me at huckb@calschools.org.*

On a similar note, winter benchmark assessment reports for NWEA and Acadience will be sent home with students on the 20th. These reports will provide up to date information on your child's academic performance.

Upcoming Parent/Teacher Conferences

Our second round of parent/teacher conferences are quickly approaching. These conferences will take place on **Tuesday, February 7th and Thursday, February 9th from 4:00 - 7:30 each evening**. More information will be shared soon.
