

October 19, 2022

Dear Caledonia Community Schools community,

Football season is in full swing and playoffs are right around the corner! With the simple mention of football and the excitement of a winning team, many people envision each game as a fun time with friends and family through the great American tradition of “Tailgating” before a football game. As we approach our final varsity regular season game of the year, I want to encourage everyone to come out and support our student-athletes while remembering that we are here to cheer on and support high school students, not college or professional athletes. In this spirit, and in conjunction with the Kent County Sheriff’s Office, I want to remind everyone that under Michigan law, including local ordinances, the consumption or possession of alcoholic drinks on school property is strictly prohibited.

For the safety of everyone, our facilities are a Drug Free, Weapons Free, Alcohol Free, and Tobacco Free zone. Our goal is to create a family-friendly environment that people of all ages can enjoy and to make sure that our spectators arrive and leave as safe as possible. We look forward to Packing the Ralph while enjoying a safe and fun environment in support of our student-athletes in football and all other sports.

Sincerely,

Dr. Dedrick Martin
Superintendent
