9/9/22

Hello Caledonia Elementary Families!

Happy Friday! It is hard to believe that we are finishing our third week of the school year. Classrooms are busy wrapping up their fall assessments, introducing routines and procedures associated with the core content areas, and building reading and mathematical stamina. The students are doing a tremendous job and making great progress already!

Parent/Teacher Conferences

Our Fall Parent/Teacher Conferences will be Tuesday, October 4th and Thursday, October 6. Each evening, conferences will be offered from 4:00 - 7:30.

Similar to last year, we will use signup.com to schedule conferences. Our staff will release the signup sheets through a tiered process. Details of that process are outlined below:

On Wednesday, September 14th at 4:00 p.m., families with three or more students at Caledonia Elementary will receive the signup information.

On Friday, September 16th at 4:00 p.m., all remaining families will receive the signup information.

At this time, we are only able to offer one conference per student. In the case of separated families, we ask that one parent come in the fall and one parent come in the spring.

Our staff looks forward to meeting with you in a few short weeks!

Capturing Kids' Hearts

We are proud to announce that our Caledonia Elementary staff was trained this summer in Capturing Kids' Hearts. Caledonia Community Schools has invested in training all staff across the district because we all believe in establishing an environment where every student feels valued. We are collaborating to build a high-performing school culture where students know they are loved and are challenged to grow.

Here are some questions you can ask your child:

1. How are you greeted each morning at school? How does it make you feel?
2. What are Good Things from your day? Did you do Good Things in class?
3. What is your class Social Contract? How do you use a Social Contract at school?
4. Who are you connected to at school? Who at school do you trust?

We look forward to sharing more "Good Things" with Capturing Kids' Hearts at Caledonia Elementary!

COMMUNITY FLYERS & EVENTS

WE'RE DIGITAL NOW!

Starting in the 2022/2023 school year we are rolling out a new process for all community flyers. We are asking non-profit organizations that would like to have community flyers distributed virtually to our families; to please use the new form on our website to submit a flyer. These flyers will be posted to our website and pushed out to the community section of our Caledonia Community Schools App. We will no longer be including flyers in our building newsletters.
