Caledonia Mock Trial class sent three teams to compete in the Kent County Regional Tournament. Four out of twelve teams place in our region.

Caledonia took home TWO of the FOUR trophies available. For context, the Kent County Regional is very competitive and the State Champion has emerged from our region since 1986. Current sitting judges and practicing attorneys evaluate and score their cases. Our students argued and articulated objections very well and deserve recognition for their outstanding accomplishments.

Additionally, I would like to acknowledge practicing attorney and community member, Beth Yard, who met with our students weekly to offer her legal counsel pro bono.

Thomas M. Cooley Law School and Kent County Prosecutor's Office also helped with the development of our cases by offering editing and polishing advice for our students.

Please congratulate the following students:

Spring/Summer Baseball Umpiring Opportunities

Are you interested in making more than $20/hour this spring and summer? If so, then consider umpiring baseball for GRUA/BATL.

GRUA/BATL is looking for young student-athletes willing to learn and umpire youth baseball.

Assigning for the league and tournament games will be done through GRUA (Grand Rapids Umpire Alliance) and the ArbiterSports system (arbitersports.com). GRUA has $30 yearly Arbiter dues. Dues can be paid by sending a check to Bruce Doane at 906 Jennette NW Grand Rapids, MI 49504. Before sending your check, email Bruce at brucedoane63@gmail.com or Kevin Weber at spinalfusion06@yahoo.com stating your intention to join GRUA. We will need the email address you intend to use for GRUA/Arbiter. Once we've got your payment and information, we will add you to the GRUA Arbiter and you will receive an email invitation.

The $30 fee is worth the money and is used to pay for the software system. Arbiter is the best officials assigning software in North America. There will be MANY opportunities for you to umpire. BATL will have league games primarily on Tuesday and Wednesday nights all over West Michigan, using 10+ fields. So far, 60+ West Michigan travel teams have joined the league. There will be games by the lakeshore and games in the Grand Rapids area. We will try to assign you to games close to your location. BATL will have teams ranging from 9U to 14U/15U. Before Memorial Day, there will be single games starting around 6:00. After the holiday, doubleheaders will be scheduled. We will use one umpire for 9U to 12U and two umpires for 13U and up. Umpire game fees are as follows: 9U to 12U $45/game; 13U $50/game; 14U and up $55/game. There are further umpire fee breakdowns, like if you umpire alone, a 5-inning doubleheader, or a 9-inning game, but those can be discussed at a later time. Umpires will be paid through their free ArbiterPay account. If you don't have an ArbiterPay account, you will need to get one once you're registered on Arbiter.

In addition to the weekly league games, BATL has three USSSA affiliated tournaments scheduled. It's possible to make hundreds of dollars in a single day when working tournaments. The tournaments are as follows:

May 25: weekend: BATL A Level Freedom Classic 8U-13U Christian Athletic Complex (CAC)

June 22 weekend: BATL Midsummer Bash NIT 8U-14U Christian Athletic Complex (CAC)

July 13 weekend: BATL Woodbat Classic NIT 8U-13U Whistle Stop (Byron Center) & CAC as backup

As you can see, there will be many opportunities to work. Reception to the BATL league has been excellent and it's filling quickly with high-quality travel teams. By joining GRUA, you'll not only be able to work BATL league and tournament games, but you'll also have the opportunity to work other GRUA tournaments in West Michigan, several played at local colleges and universities and featuring 14U to 18U teams.

If you have any questions, feel free to email, text, or call me.
