### A note from the Principals:

2024 has sure made its presence known! We hope you have found some time to enjoy this wintry wonderland. I heard something about temps in the 40's next week, you have got to love Michigan! In spite of the cold weather, we are excited to begin a new year and we look forward to the growth that is sure to happen over the next several months.

Just a few reminders, especially for this winter weather:

1. To have our dropping off and pick-up system work smoothly, we ask for patience. Believe it or not, it only takes about 20 minutes to complete if we all show just a little patience. Pulling out ahead of cars in front of you only causes issues as cars then juggle to see who goes next.
2. As the temperatures get colder outside, be sure to have your child dress for the weather. We do keep students inside if the temp or windchill is below 0 degrees.
3. If your child is going to be absent, be sure to call and let us know the reason they are out. Thanks!

We are so grateful to have the opportunity to work with your child[ren] so thanks so much for sharing them with us. We look forward, with excitement, as we anticipate all of the events and activities we have planned for this second semester. Keep a lookout for conference sign-ups next week! Stay safe and warm!
