A note from the Principals:

At the risk of repeating myself, we continue to have a great time getting to know students and parents and we love working with this amazing staff. We feel so blessed to be back at Emmons. We also very much appreciate the grace that is given to us as we come up to speed on all things Emmons Lake.

This past week, we had a great PTO meeting. We left the meeting feeling extremely grateful for the wonderful parents we have and the support you all give to our staff and students. If you have not attended one of their meetings, I would strongly suggest you do. They are a great group, working hard to provide some of the extras for our students.

Awesome things continue to happen in our school each and every day. We are so proud to serve as your Emmons Lake principals. On behalf of our entire staff, we want to wish you and your families a very happy Thanksgiving. Whatever your plans may be, stay safe and take good care!
