STAY CONNECTED

From Principal Jones

Paris Ridge Families,

I hope you all stayed safe and dry during the storm during the night. It was certainly a surprise to find out how it impacted school being in session today. We are working on rescheduling the Kindergarten celebration and will let those families know as soon as possible!

It was great seeing so many of you at Pantherfest last Friday! What an amazing turnout and awesome weather! I hope you all had a great time. I would like to acknowledge and thank our PTO that hosted the event; they are a fantastic group of individuals that have helped our students, staff, and building in so many ways throughout the past nine months.

We are pushing into our last full week of the school year. Caledonia graduates that attended Paris Ridge will be coming back to the building on Monday. We will honor them and give the Class of 2025 a chance to connect with former teachers. Over the last month our student character trait has been kindness. We will celebrate ending the year by hosting a guest reader sharing a story related to our theme. Every student will get a free copy of his book!

Looking to the last week of school, field day will be held on May 28th. Students are encouraged to bring a towel and change of clothes, as the Leighton Township Fire Department may have their fire truck available to cool us off! Our last day of school, Friday (May 30th), will be a half day for students with dismissal at noon. We will conduct our lowering of the Paris Ridge Flag with a clap out for 4th graders at 11:45. We encourage families to join us in congratulating the 4th grade group as they wrap up the school year.

Subject: Introducing the My Ride K-12 App for Bus Transportation Updates
December 4, 2024

Dear Caledonia Families,

We are excited to introduce the **My Ride K-12 app**, a new tool designed to improve communication between families and the CCS Transportation Department. This app provides a convenient way for parents and guardians to stay informed about their student's bus transportation.

With the **My Ride K-12 app**, you can securely access:

- Your student's assigned bus route and stop location.
- Scheduled pickup and drop-off times.
- Real-time updates about the bus's arrival each day.

The app is available for download on both [Apple](#) and [Android](#) devices. Families can also access the same information through the [My Ride K-12 website](#).

Resources to Help You Get Started

We've made getting started easy by providing helpful resources:

- [User Guide for My Ride K-12](#)
- [My Ride Support](#) (Tutorials & Guides)

If you have any questions or need additional assistance, please contact the **CCS Transportation Department** at **616-891-0224**.

For more information and links to download the app, visit the [Transportation section on the CCS website](#).

We're confident the My Ride K-12 app will make your family's bus transportation experience even smoother. Thank you for your continued partnership as we enhance services for our students.

Sincerely,

Michaellita Fortier
Director of Transportation
