## Caledonia Community Schools

Dear Parent/Guardian:

You have informed us that your student has a medical concern. Enclosed are forms, which need to be completed by both the Parent/Guardian and student's Physician. These forms are necessary in order for a Nurse or appropriately trained school personnel to perform or administer specific medical treatment or procedures. This information will help us work with your student to minimize unnecessary restrictions, feelings of being treated differently, and possibly absenteeism.

Please send a current picture of your student in order for the student to be easily identified. This information will be distributed to appropriate school personnel on a need-to-know basis and may include bus drivers, substitute teachers, cafeteria staff, and others who work with your student daily.

To help your student, please let us know of any changes in your student's medical condition or emergency daytime phone numbers.

**The following need to be returned to the School Nurse at your school.**

- ☐ **Student Health Information Sheet**
- ☐ **Physician Order for G-Tube Procedure & Parent/Guardian Statement**

We are looking forward to a great year with your student!
