January 2024

Dear Parents and Students:

Caledonia High School, in compliance with Section 380.1279 (b) and (e) of the School Code of Michigan, will allow students to “test out” of any course. In order to test out, a student must show mastery of course content by attaining a grade of 77% or better on a comprehensive final assessment. Because some end-of-year tests do not serve as comprehensive measures of content and skill “master” as expressed in the Michigan School code, students may be required to demonstrate a reasonable degree of mastery either through a written examination, written papers, projects, portfolios, or other comparable forms.

There will be two test out dates offered during the year: one in the fall and one in the spring. Dates will be announced each year. Students must register by the posted deadlines to test out.

The following policy will apply equally to all students in the high school:

1. Testing out will **not** apply to the senior year math requirement.
2. No letter grade may be earned by testing out of a course; the notation credit (CR) /no credit (NC) for testing out will apply. Neither a CR or NC will count against your GPA.
3. Credits earned through this provision will be counted towards graduation.
4. Credits earned through this provision will count towards fulfillment of a requirement for a subject area course and will be counted toward fulfillment of a requirement as to course sequence.

Please be advised that students and parents are expected to plan well in advance if they desire to test out of a course. NCAA eligibility may be affected by choosing the testing out option.

If a student wishes to “test out” it will be necessary to submit requests prior to the given deadlines. Students may fill out a testing-out application online via the Student Services website. A course description, course syllabus, study materials, and a description of the “test out” requirements will be available prior to each testing out date. The testing out timeline will be posted on the Student Services website.

Sincerely,

Gina Durkee, Registrar  
Caledonia High School
