

Learning Resources

Summer 2025

<https://www.calschools.org/resources/summer-learning/>

There are several learning resources available for students to engage in during the summer months. Some of those are listed below and you can find links to these resources on our website.

- **IXL & I-Ready** K-8th lessons using the CCS [Clever Log-in Link](#).
- The **Kent Intermediate School District (KISD)** has also created a list of [area summer camps](#). Each camp offering has a description outlining pertinent information. Check out the possibilities by clicking [here](#).
- **Kent District Library** created a [Summer Wonder](#) challenge for learners of all ages.
- **Barnes & Noble** is gifting a free book to any K-6th grader who completes this [Summer Reading Journal](#).
- **Readworks** is a site devoted to reading knowledge. It has developed a number of [reading packets](#) to stimulate learning.
- **Kendall Art School of Design** empowers students entering 11th & 12th grades to address complex problems with design solutions that help build a better future through it's [Wege Prize High School Collaborative Studio](#)
- **Museum of Science** offers [At Home Activities](#) for the family to engage in problem solving skills in engineering & computer science.
- **Walkabouts** integrates movement and learning. All current Y5-5th grade CCS students are enrolled, so contact your school about how to log-into [the program](#).
