Caledonia Community Schools Community:

We are sharing the information below on behalf of the Caledonia Education Foundation (CEF). The Caledonia Education Foundation has always been a huge supporter of Caledonia Community Schools and we are excited to see what our staff do with these grants! Thank you for supporting our schools.

CCS Administration

—

The Caledonia Education Foundation Prize Patrol was out last week surprising 3 grant award recipients! Denise Blunk, CEF Director, along with David Schnurstein, CEF President, and Jeff Uherek, Board member and CALAPALOOZA Chair, visited Duncan Lake Middle School and Kettle Lake Elementary. It was exciting to include students and let them know their teachers are always looking for ways to enhance their learning! Thanks to generous contributions, CEF was able to give above its grant budget this year. Along with a grant from Amazon, CEF awarded over \$87,300 in grants throughout the district! That is the largest amount ever that has been granted in one year!

Congratulations to the following award winners:

- Todd Bloemers of Duncan Lake Middle School
Grant: Duncan Lake Middle School Weight Room
- Dionna Damaskos of Duncan Lake Middle School
Grant: Interactive Projector
- Britt Racinski of Kettle Lake Elementary
Grant: Kettle Lake Book Room
