## Caledonia Community Schools Initiates Superintendent Search Process

**Caledonia, Mich.** – The Caledonia Community Schools (CCS) Board of Education (BOE) has officially initiated the process of selecting a new Superintendent to lead the district into the future. At a special board meeting held on November 28, 2023, the Board discussed the information that had been introduced at the November 20 regular meeting. Following that discussion, a motion was approved to start the search process with an internal posting of the position.

"The Board decided to begin the search for a new Superintendent from within our own pool of dedicated educators. This will provide qualified candidates from within the district, who understand our unique needs and values, the opportunity to apply for the position first," stated Marcy White, President of the CCS Board of Education.

The application process opened on November 30, 2023. Prospective internal candidates are encouraged to submit their applications, with a deadline set for 12:00 pm on December 8, 2023. The BOE will conduct a thorough review of all submitted application materials during the regularly scheduled Board meeting on December 11, 2023. At that time, a decision will be made regarding the next steps.

"The Board acknowledges the profound impact that the selection of a new Superintendent has on the entire community and is committed to maintaining a fair and transparent process throughout the search for our next leader," said Marcy White.
