RE: Caledonia Connected - Enrollment now op

Dear Parent(s)/Guardian(s),

Good morning! For those of you who missed our April Town Hall announcement, starting in the fall of 2021, Caledonia Community Schools will be launching a fully online K-12 school called **Caledonia Connected**. The online school option offers a solution for students and parents who are looking for an alternative approach to traditional face-to-face learning. Caledonia Connected will be a stand alone K-12 online school that uses Caledonia teachers to deliver instruction.

Enrollment for Caledonia Connected is now open. Those families choosing to enroll in Caledonia Connected can find out more information on how to enroll on our website . We will be accepting applications for fall through May 28. Anyone who does not apply and is a current Caledonia student will be enrolled as a face-2-face learner for the fall. More information about Caledonia Connected and links to past presentations can also be found on our website.

Education is a journey. As we've learned in recent weeks, that journey can sometimes have unexpected twists and turns. As a district, we are committed to providing safe and engaging learning environments and preparing students for their tomorrow no matter the circumstances. Caledonia Connected is one of the many opportunities provided by Caledonia Community Schools that allow students the flexibility to engage in a learning style that works best for them.

Sincerely,

CCS Administration
