

June 3, 2021

Dear Caledonia Community Schools family,

We have exciting news!! The USDA has announced that they are extending the waiver for free meals to all students 18 & younger, and 26 and under with special needs. This is to all school meal programs and childcare institutions across the country to continue serving healthy meals for the 2021-2022 school year.

During the summer, starting June 7th, five (5) free breakfasts and five (5) free lunches will be available for pick up at Caledonia High School - SOUTH Campus every Monday from 8:00 A.M. – 10:00 A.M. and will continue through August 12th.

***Holidays/Exceptions:**

There will be no curbside meals the week of July 4th.

In the extended learning program students will receive a free bagged breakfast and lunch daily (Monday thru Thursday). We hope this news helps all Caledonia families.
