Dear Caledonia Community Schools community,

We hope you and your family are staying safe and healthy. We wanted to let you all know that Caledonia Community Schools will be hosting our next monthly Virtual [Town Hall](#) discussion to inform our community about some exciting changes evolving in our district. Please plan to join us on Thursday, February 25th, at 6:30 p.m. as we host a facilitated virtual discussion.

This month's discussion will focus on bond updates that are associated with each elementary building, as well as updates to our transportation zones. We will also be updating you on some future elementary bond projects that are being planned.

We hope you will join us and hear more about these important updates for our district. Check out www.calschools.org for more information.
