

It's never too early to start thinking about the holiday season! For years, Emmons Lake has sponsored many of their own families through the Giving Tree Program. The Giving Tree Program will continue its holiday traditions again this year. The online sign up will continue to be an easy way for families to browse wishes, sign up, donate gifts, and share with others you know who may also like to donate to our school families. If you are interested, here's how:

1. Browse the family wishes through the QR codes below. Then, select the item(s) you plan to shop for. Submit your entry after you sign up with the name EMMONS (first) and LAKE (last) to keep it anonymous.
2. Once the item is purchased, **tape a note to the unwrapped gift with the item code** (found on the sign up). You may also choose to send online orders directly to the school. Make note in the comments section when purchasing "Giving Tree: item code." Our school address is 8950 Kraft Ave SE, Caledonia MI, 49316.
3. Bring the **unwrapped** gift to school and drop it off under the decorated tree in the front lobby. Students may walk the unwrapped gift in from the front or bus riders and walkers may bring the unwrapped gift from the back of the building and bring it to the office in the morning before heading to class. Or, parents are welcome to drop the unwrapped gifts off during school hours. **Please drop gifts off no later than December 11!**

Emmons Lake has always been a place of generous and caring people! We look forward to making the holidays bright for all our giving tree families! If you have any questions, please contact Katie Closson (clossonk@calschools.org).
