Caledonia Community Schools Says Thanks!

Caledonia Community Schools and Aramark Food Service would like to thank you for participating in our electronic deposit system www.sendmoneytoschool.com, and maintaining your students account with positive balances. As a means of saying thanks, Caledonia Community Schools is going to absorb the bank administrative fee of your transaction for the month of January 2020. This is also an effort to save our families a little bit of money, especially after the holidays. As always, our electronic deposit has alleviated the amount of cash the students have to carry internally to pay for their food. The program also allows you as the parent to see what your student is purchasing and eating on a daily basis. If you do not have an account you can create it in a few minutes by going to the web page listed above. Questions on opening your account can be directed to the Food Service Office at (616)891-0227. We try to do our best to promote healthy eating and provide quality meals which include fresh fruit and fresh vegetables daily.
Thank you for your continued support and involvement in your students' lives.

Give a Gift that Gives Back!

Give a gift that makes a **lasting difference** long after the holidays have passed!

Giving a donation through the Caledonia Education Foundation (CEF) will impact the exceptional learning of our students!

Recognize your child's teacher with a **teacher gift**. Make a donation in honor of your child's teacher(s) and the gift will be split equally between CEF and **the teacher's classroom fund**. CEF will provide gift cards to you to present to the teacher. Please order by **December 12th.**

Honor a loved one, or soon-to-be graduate with a **brick paver.** For $100.00 you can purchase 3 lines of 14 characters that will be engraved on a Caledonia Monument Brick that will last forever. A great meaningful gift this holiday season for a family, graduating senior, or alumni.
